

**REMARKS**

An Office Action was mailed on June 29, 2005.

In the Office Action dated June 29, 2005, the Examiner indicated that claims 1-5 and 11 are allowed over the prior art of record in this application.

Accordingly, Applicants have herewith cancelled claim 10, leaving claims 1-5 and 11 pending in the application which claims are now deemed to be in condition for allowance.

Therefore, reconsideration and allowance of claims 1-5 and 11 is respectfully submitted.

Applicants believe that this is a full and complete response to the Office Action. For the reasons discussed above, applicants now respectfully submit that all of the pending claims are in complete condition for allowance. Accordingly, it is respectfully requested that the Examiner's rejections be withdrawn; and that all claimed be allowed in their present forms. If the Examiner feels that any issues that remain require discussion, he is kindly invited to contact applicant's undersigned attorney to resolve the issues.

All dependent claims are allowable for at least the same reasons as the independent claims from which they depend.

In view of the above comments and further amendments to the claims, favorable reconsideration and allowance of all of the claims now present in the application are most respectfully requested. Any fee due with this paper, including any extension fees, may be charged on Deposit Account 50-1290.

Respectfully submitted,

Hassan A. Shakir
